## A city of opportunities pursuing integrated development

“十四五”期间，是上海加快建设具有世界影响力的社会主义现代化国际大都市、构筑未来发展战略优势的关键阶段。

The "14th Five-Year Plan" period is a key stage for Shanghai to accelerate the construction of a modern socialist international metropolis with world influence and build strategic advantages for future development.

嘉定以更高站位、更宽视野、更大格局思考谋划区域发展，牢牢把握长三角一体化、虹桥国际开放枢纽、新城新一轮规划建设等重大战略、重大机遇，在服务国家战略和全市发展大局中体现担当作为。

Jiading takes a higher position, a wider vision and a larger pattern to plan its regional development, firmly grasping major strategies and major opportunities such as the integration of the Yangtze River Delta, the opening up of Hongqiao International Hub, and the construction of the new city, and embodies its responsibility in serving the national strategy and the overall development of Shanghai.

面向未来，嘉定将围绕国际汽车城**加速打造世界级汽车产业中心**核心承载区，围绕虹桥国际开放枢纽**全力推动北虹桥商务区发展**，围绕长三角综合性节点功能**加快带动嘉定新城建设**。全面推动嘉定成为“创新活力充沛、融合发展充分、人文魅力充足、人民生活充裕”的现代化新型城市。

In the future, Jiading will accelerate the construction of the World-class Automotive Industry Center core bearing area under the strategy of international automobile city, fully promote the development of the North Hongqiao Business District under the opening up of Hongqiao International Hub, and accelerate the construction of Jiading New City and develop into a new modern city that is characterized by robust innovation trends, highly-integrated development, wide culture and abundant living environment.
